TO CLUB MEMBERS AND FRIENDS,

To everyone who pays dues, tends the counter, cleans, shovels, mops, cooks, decorates, paints, or performs any other function, which helps keep this Club open, THANK YOU and GOD BLESS YOU! Because of your support our doors are open as a safe, drug and alcohol free environment for all who care to enter our doors.

PASS IT ON FEST 2007(HELPERS WANTED)

From the President:

January will bring some changes as the president will be away from the club for at least the beginning of the month. Any concerns or problems (or complements!) should be directed to Tim K, the vice president, who will be 'in charge'. Of course, any board member can be approached with an immediate concern or problem. Please see list on bulletin board in front room. Also during this time, any help in cleaning the club would be greatly appreciated. The New Year's Eve dinner and dance was a success and fun was had by all. Thanks again to everyone who decorated the club for the holidays and also those who un-decorated, too. Our counter is being staffed with less closings, so let's all keep up the good work. This can be used as 'public service work'. If you need written confirmation of time spent volunteering, please see any board of director for documentation. We are shopping for our new ice machine and computer, and should have these both installed by the end of the month. Nominations are being accepted for the upcoming elections (5 members signatures and nominee signature is needed on all nominations. Give these to any board member, or Paul N (who is on the Election Committee). The election is slated for early March, but it is not too soon to get those nominations in!
