CLUB CALENDAR OF EVENTS

BOARD ELECTIONS 3-10-07

C.A. BRUNCH 3-3-07

From the President:

Our club is having its annual election for new Board members on March 10th (the day before we return to day light savings!!) We will be asking for nominations from the membership for replacements to Paul N., our exiting treasurer, myself (Marilyn G.), our exiting president, and Barbara W., our exiting secretary. This leaves 3 openings on the board and nominations are being taken currently, with the deadline for this process on 3-3-07. These nominations can be given to any board member for consideration on or before 3-3-07. The requirements are listed on the nomination form which can be found at the front counter at the club. This is fabulous 12 step work and a 2 year commitment. I can tell you from my own experience, that being on the board and president has broadened my program and I am so very glad to have had this opportunity. Thank you, also , to Tim K, the vice-president, who was acting president during January.
